## SAFETY IN JESUS

When Simon saw that the Spirit was given when the apostles laid their hands on people, he offered them money to buy this power. (NLT) (Acts 8:18)

Poor Simon was too far from understanding the concept of faith. The Spirit lives within us through our repentance of sins and asking for forgiveness. Instead, Simon wanted to cut to the chase and receive the benefits of the power of the Holy Spirit. We are so accustomed to the microwave society, where we can get things quickly. This is not the case with a relationship with God. It's time for us to get to know Him by getting in His Word daily, praying without ceasing, and attending Bible Study and Worship Service on the regular. Today, we do the same thing: attend church thinking it will make up for the time we didn't read our Bible or spend time with God.

In 2019, let's stretch our minds beyond this way of thinking and strive for a true relationship with God. This is the year for us to invest our time in God. Then sit back and watch the blessing begin to overflow in your life.

God's Servant & Yours,
