SALT OF THE WORLD

Seasoning - Salt is good for seasoning. But if it loses its flavor, how do you make it salty again? You must have the qualities of salt among yourselves and live in peace with each other. Mark 9:50 (NLT)

Have you watched the news lately? It's a lot of things going on that are pretty scary. People aren't being nice to each other, a lot of hatred and racism is coming to the forefront. Salt is used to preserve foods from decaying. As believers, we 're the salt to flavor this world with love, peace, and kindness. We can truly help make a difference in this ugly world.

As we celebrate Black History this month, let's remember how Martin Luther King fought for what was right without violence and without sin. Ephesians 4:26 (GNT) states, "If you become angry, don't let your anger lead you into sin, and do not stay angry all day." Regardless of your religious and political beliefs, don't let it cause you to get angry or to hurt others. As believers, let's sprinkle our salt, so the world can see God's love, peace, and harmony.

God's Servant & Yours,

Pastor Mark Gibson Sr.

SEED THOUGHT

The Crayon Box That Taked

wouldn't it be terrible?
wouldn't it be sad?

If just one single color
was the color that we had?

If everything was purple?
Or red? Or blue? Or green?

If yellow, pink, or orange
was all that could be seen?

Can you just imagine how dull
the world would be?

If just one single color
was all we got to see?
