The Star of Emmanuel Faith Pastor's Corner

PATIENCE IS THE KEY

He's patient for you, but you must not forget this one thing, dear friends: A day is like a thousand years to the Lord, and a thousand years is like a day. The Lord isn't really being slow about His promise, as some people think. No, He is being patient for your sake. He does not want anyone to be destroyed, but wants everyone to repent.

2 Peter 3:8-9 (NLT)

God's approach to time is filled with mystery. He works outside the constraints of our human daily existence. This reality can feel frustrating but really it's an amazing gift. God is patient for you! He wants the best for your life. He works outside the rust that fills our days in order to make a better story for us all.

Remember that the Lord may not come when you want Him, but He will always be on time, because He's an on-time God. This is where patience comes in to play. You have stand firm on His Word, have faith that He will do what He said He would do, and step out on faith. The Lord is always with us. He never leaves us. We leave Him.

God's Servant & Yours,

Pastor Mark Gibson Sr.
